No.11012/13/99-Admn-I

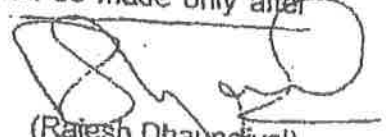

07th June, 2005

CIRCULAR

Sub : Engagement of support staff in the PIUs.

The Authority in its Guidelines No.11012/13/99-Admn dated 29th March, 2000, authorized Project Directors to engage certain categories of support staff purely on temporary basis on short term contract for a period not exceeding 90 days. It may be noted that the powers of the appointing authority in respect of such appointments vest only with the Member (Admn). Project Directors do not have the powers of appointing authority for these posts. Hence prior approval of the Competent Authority must be taken before resorting to such short term contract appointments. Wherever the services of such employees are required beyond a period of 90 days, a separate contractual employment need to be made following the above procedure. However, there should not be continuity of short-term contract employment without a break.

2. It has, therefore, been decided that further extension in the case of support staff will henceforth be granted only after giving a break of at least one week between the two spells of engagement on contract. Such re-engagements will be made only after the approval of the appointing authority.
