11<sup>th</sup> December, 2012

### **POLICY MATTERS-ADMN/FIN (100/2012)**

**(Decision taken on File No. 11041/218/2007-Admn)**

#### **Sub: Implementation of Executive Committee decisions-reg.**

It has been noted that the decision of the Executive committee on a particular issue is again processed on file for approval of the Chairman. This is causing unnecessary delay in implementation of the decision.

2. It has, therefore, been decided with the approval of the Competent Authority that decision of the Executive Committee on a particular matter may be implemented by the concerned General Manager and need not be further processed on file.

3. In case the issue is required to be processed on file, the Competent Authority will be Member concerned.

4. This issues with the approval of Chairman.
