POLICY MATTERS-Technical (190/2015)

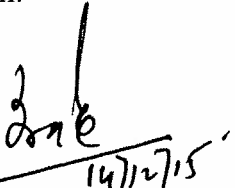

(Decision taken in 261st Meeting of Executive Committee vide Agenda item no. 261.10 placed by West Bengal Division)

Sub: Single Tender for Consultancy Services-Clarification-reg.

It is observed that sometimes although number of bids are received in response to RFP for Consultancy Services, on evaluation of Technical part of the bids so received, only a single bid is found responsive. As per prevalent practice, such a single bid is usually not considered for opening of financial bid and consequently bids are re-invited. This leads to delay in the deployment of Consultants and adversely impacts the targets and schedules of projects apart from causing contractual implications.

2. *In this regard, Executive Committee in its meeting dated 04.11.2015 decided that, as a policy in respect of Consultancy Services, single responsive bid on evaluation of multiple bids (2 or more) may not be treated as a single bid and that financial bid of such a single bidder may be opened for further consideration.*

3. This issues with the approval of Competent Authority.
