NHAI/ Policy Guidelines/Consultancy/2017

No. 10.1.17/ 2017 Dated, the 23rd June, 2017
(Decision taken in 306th Meeting of Executive Committee
vide Agenda item no. 306.10 placed by Punjab Division)

Sub : Acceptance of Single Tender for Consultancy Services -Clarification-reg.

In supersession of Policy Matters (Technical) no. 190/2015 regarding acceptance of Single Tender for Consultancy Services, following has been decided:

- (i) As for the bids for consulting assignments (viz DPR/IE/AE) which had been invited till 01.05.2017, the NHAI may continue with the practice followed in the past whereby that award of consultancy may be considered against a single responsive financial bid if the amount quoted therein is found to be reasonable. For this purpose, a ceiling upto one percent of the project cost was considered to be reasonable.
- (ii) As per the future, since the time taken in the completion of the bid process for consulting services is a major concern, it was decided that the complete system functionalities provided under INFRACON should be followed so as to reduce the processing time. It is further decided that a uniform practice should be adopted in respect of bids for consulting assignments and Award of Civil Work Road Projects i.e. in the case of a single responsive bid in the first call, bid should be re-invited. However, in case a single responsive bid is received even against the 2nd Call, the same may be accepted subject to reasonability of rates.

2. This issues with the approval of Competent Authority.
