**POLICY CIRCULAR-TECHNICAL (No.93/2011)**

**Sub: Review of procurement procedure in all types of Consultancy Procurements.**

The procurement procedure for various consultancy services of NHAI has been reviewed in 85<sup>th</sup> meeting of the Authority and it has been decided that henceforth, the procurement of all consultancy services has to be done on least cost basis (Cost Based Selection approach) among the top five qualifying Consultants, meeting non-conflict and other eligibility requirements, shortlisted after Technical Evaluation.

Earlier process of Financial Evaluation and Combined (Technical and Financial) Evaluation for selection of Consultants is therefore, dispensed with.

This is for compliance by all Divisions of NHAI with immediate effect. This shall also apply where RFP has been invited but proposal is yet to be received.

This issue with the approval of Competent Authority.
