POLICY MATTERS-Technical (201/2016)

(Decision taken on File No.NHAI/Road Safety-FOB/2016)

Sub: Providing Foot Over Bridges (FoB) at accident prone site on NHAI stretches.

Lack of crossing facilities for pedestrians are one of the leading cause of fatalities on the NHs. Accordingly, it has been decided with the approval of the Competent Authority to provide crossing facilities on NH wherever required. Further to simplify the procedure, the power for approval of FOB under CoS upto Rs. 80 lakh & Rs. 1 Crore for 4 & 6 laning respectively is hereby delegated to Regional Office subject to following :

- i) RO shall identify requirement and locations of FoB in consultation with elected representative of the area/project director/Police Officer/Road Safety Officer.
- ii) RO shall provide FOBs in the ongoing projects under minimum safety requirement as a change of scope.
- iii) Costing will be based on current SOR of the State and it shall follow standard drawings of the FOB which are being provided separately.
- iv) While providing the FOB, closure of median opening should also be explored.
- v) The work of FOBs shall be completed by 30.09.2016
