13th December, 2012

POLICY MATTER-TECHNICAL (119/2012)

(Decision taken on File No.13029/08/2011-Vig. of Vigilance Division)

Sub: Mandatory Use of Fly Ash in NHA Projects.

The CTE's Organization of CVC during its Intensive Examination of the project "4-Laning of Lucknow to Ayodhya Section of NH-28 (Km 9.000 to Km 45.000) in U.P. (Construction package LMNHP-EW-II-(WB)-1) under LMNHP" observed regarding non-implementation of Ministry of Environment and Forest Notification No. SO763(E) dated 14.09.1999, as amended from time to time, which mandated compulsory use of fly ash in roads construction within a radius of 100 Km of a thermal power plant. It observed that these guidelines were flouted in the above project and uneconomical and environmental unfriendly construction in violation of MOEF's notifications had also led to infructuous expenditure.

2. All officers of NHA may accordingly ensure strict compliance of directions contained in MOEF notification No. SO763(E) dated 14.09.1999, as amended from time to time, regarding mandatory use of fly ash in road construction projects.

3. This issues with the approval of Chairman, NHA.
