No. 11041/21/2002/Admn. III

January 13, 2003

**POLICY MATTERS-ADMINISTRATION/FINANCE (33/2003)**

**Sub: Cases of Permissions**

NHAI/MoRT&H accords permission for various purposes which include (a) permission for access to main carriageway for retail outlets or private properties (b) permission for underground laying of cables/pipelines etc. (c) permission for advertisement along the highways, installation of overhead signages/arch/grounded road signages etc.

2. Corridor Management Division had so far been dealing with all the cases of such permissions whether these related to a corridor handed over to the Corridor Management Division or not. In the case of corridors still under the control of Technical Divisions, references had to be made to these divisions, which resulted in delays in granting permissions.

3. It has been, therefore, decided that henceforth Corridor Management Division will deal with only such corridors which have been transferred to the Corridor Management Division. Rest of the cases will be dealt with by the respective Technical Divisions.

4. This issues with the approval of the Competent Authority.
