NHA/Policy Guidelines/Quality Assurance /2021 Policy Guidelines No. 15.9/2021 dated 02nd March, 2021 (Decision taken on e-file Comp. No.57701)

Sub: Responsibility of PIU Officers in maintaining Quality of Construction.

A number of references on bad quality of works constructed at site are being received. Besides bringing bad name to NHA, it indicates lack of supervision at various levels in the field.

2. In order to have proper check on quality of works, the quality inspections at various levels are also being undertaken and in some cases, directions to obtain the explanations of PD, AE/IE, Contractor etc. have been issued.

3. It has been decided that the concerned DGM/Manager/Dy. Manager/Site Engineer of PIU, in-charge of the project, along with the concerned PD, shall also be held responsible for lack of supervision/monitoring of quality of works, wherever such shortcomings are noticed.

This issues with the approval of Competent Authority.
