**Circular No:- NHAI/ Commercial Operation/ 127**

**Sub:- Display boards of rates at the fee plazas.**

In the meeting of representatives of All India Motor Transport Congress (AIMTC) with Secretary, MoRT&H on 06.01.2011, AIMTC has raised the issue of improper charging of the fee at various fee plazas. They further informed that in absence of proper display boards related to fee at the Toll Plazas, it is difficult to ascertain the correct fee to be charged by the fee collecting agency/ concessionaire.

Secretary, RT&H advised NHAI to ensure that display boards related to fee are available at all the toll plazas.

All the Project Directors are therefore directed to ensure that display boards related to fee are in place at all the fee plazas of Public Funded and BOT Projects.

All Project Directors are further directed to submit the compliance report within a week's time from the date of receipt of this circular.

All RO's are also requested to check during their site visits that proper display boards of fee rates are in place.
