### **POLICY MATTER – Technical (129/2013)**

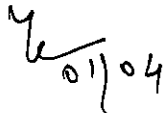

*(Decision taken on File No. NHA/13013/CO/12-13/PolicyonToll)*

#### **Sub: Compliance of the provisions stipulated in 2008 Fee Rules regarding spacing and location of Toll Plazas in DBFOT Projects.**

2008 Fee Rules stipulate a spacing of 60 Km for locating Toll Plazas on same section of NH and in same direction; and to establish a Toll Plaza beyond 10 Km from municipal or local town area limits subject to certain exceptions [Ref. Sub-Rule-8(1)&(2)]. The rules also stipulate to record reasons in writing to locate the Toll Plazas within 60 Km spacing as well as to locate the Toll Plazas within municipal or local town area limits.

2. While in case of DBFOT Projects for which the Concession Agreements have already been signed, such exceptions may be permitted, but in all new DBFOT Projects, the spacing of 60 kms between two Toll plazas and the limits in location of Toll Plazas in municipal or local town area limits shall be strictly adhered to while deciding the Toll Plaza locations in the Projects.

3. This issues with the approval of Competent Authority.
