OFFICE ORDER

Consequent upon approval of Chairman, the Electronic Division at NHA HQ is renamed as Highway Automation and Management (HAM) Division. HAM Division shall provide technological support for automation of functions of Corridor Management (CM) and Commercial Operations (CO) Divisions. It shall also coordinate with Indian Highways Management Company Limited (IHMCL) whenever and wherever need arises. HAM Division shall carryout the following responsibilities:

- (i) Installation of Automatic Vehicle Counter cum Classifier (AVCC) System at Toll Plazas;
- (ii) Introduction of Weigh-in-Motion (WIM) Systems at Toll Plazas;
- (iii) Facilitating development of Telecom Infrastructure for seamless mobile coverage along National Highways;
- (iv) Vehicle Tracking System (VTS) with facility of GPS for Ambulance/ Route Patrol Vehicles/ Cranes;
- (v) Toll Information System (TIS) for dissemination of toll related information to public, viz. toll plaza locations, toll rates, etc. ;
- (vi) Toll System Security and Traffic Audit in revenue sharing projects of NHA; and
- (vii) Round-the-clock connections to the networks of the Authority on Toll Revenues, to be provided by the Concessionaires;

2. HAM Division shall be under CGM (CO). HAM Division shall provide technical support to CM division as and when required in relation to Item No.(i)&(ii) above. The organization structure of HAM Division shall be finalized separately.
