CIRCULAR NO:- NHAI/ COMMERCIAL OPERATION/ 131

Sub: Fee Notifications for PPP Projects.

- ()
1. Publication of fee notification is a condition precedent to be fulfilled by the Authority (NHAI) as per the provisions of MCA for PPP projects. It has been observed that fee notifications have not been published in time in cases of 4-laning PPP projects as provisioned in MCA. Adverse view has been taken by the Hon'ble Minister on delay in publication of fee notifications in a recent meeting presided by him.
 2. To avoid such situations and to get the fee notifications published in time, concerned **Divisions** are advised to adhere to the following procedure and time schedule so that **proposals for publication of fee notification are submitted to the Ministry within 2 months from the date of the signing of the Contract.**
 - a. Concerned Technical Division will submit draft fee notification proposal alongwith the concurrence of the Concessionaire to the CO Division alongwith the details in Annexure 'A' and copy of the concession agreement including schedules and annexure within 20 days from the date of the signing of the Concession Agreement.
 - b. CO Division will process the proposal within 10 days on its receipt. In case any modification in the draft fee notification is envisaged, the proposal will be returned along the modifications to the concerned division for their/Concessionaire's concurrence. Technical Division will return the proposal to CO Division within next 15 days.
 - c. CO Division will submit the proposal within next 10 days for approval of the Chairman and onward submission to Secretary, MoRT&H.
 3. The above, procedure and time schedule, is for strict compliance by all concerned.
- ()

4. In case of contracts already signed, Technical Division will submit the proposals to the CO Division within 15 days from the date of issue of this Circular.
