Sub: Regarding Validity period of Multiple Journey Ticket

Presently for public funded projects, multiple journey ticket issued @ 1.5 times of single rate, as per present practice, is valid till midnight of the day of issuance.

It has been decided that with immediate effect, multiple journey ticket will be valid for 24 hours from the date/time of its issue. The above change will, however, not be implemented on the stretches/bridges where the collection of fee is through a franchisee till their present term is over unless the practice of 24 hour's validity is already in vogue.

This issues with the approval of Competent Authority.
