POLICY MATTER – Technical (80/2011)
(Decision taken in Legal Division File Nona/DR&A Cell/ARB (Misc)/2010)

Sub: Procedure for referring the decision of DRB to Arbitration.

Ref.: Policy Circular–Tech.– No.77/2011 dated 25.5.2011 on the above subject.

It has been decided that the matter about referring the decisions of Disputes Review Board (DRB) / Dispute Review Expert (DRE) to Arbitration may be decided by a three Member Committee before proceeding for Arbitration. The three Members Committee referred to in para 2 (d) of above cited circular shall consist of:

- (i) Member (T) of the area where project lies,
- (ii) Member (Finance).
- (iii) Member (Administration)

2. The Committee will examine the matter and recommend whether the decision of DRB/DRE is acceptable on merits. On the basis of the recommendation of the Committee, it will be decided whether matter needs to be referred further to Arbitration or not.

3. It will be the responsibility of the concerned technical division to submit the matter to the above Committee within the period of limitation (as prescribed in the Policy Circular referred above) so that the cases are not barred for approaching for Arbitration. Since the decisions of DRB/DRE have to be appealed against within a prescribed time limit, as provided in the contract agreement for referring to the Arbitration, these meetings should be held in time and decision on these issues should not be delayed on this account.

4. All concerned may please note for information and strict compliance.
