Policy Matters: Administration/Finance(146/2014)
(Decision taken on File No. NHAI/Tech/TN/SP/FFF/2011)

Sub: Expeditious implementation of Negotiated Settlements approved by Executive Committee/NHAI Board-Reg.

Guidelines for one time Settlement of Disputes have been issued whereby the initial negotiations are carried out by a Committee of 3 CGMs and then matter is placed before the Independent Settlement Advisory Committee (ISAC) for its recommendation before seeking final approval of the Executive Committee/NHAI Board.

2. It has been noted that the Technical Divisions are not prompt in implementing the approved settlements. The settlement is again processed on file for approval of the Chairman/ Member for approval of the settlement agreement and authorizing the concerned GM for signing of settlement agreement.

3. It has been decided that the concerned CGM is empowered to implement the settlement as approved by the Board/Executive Committee. The CGMs will take all necessary actions for signing the settlement agreement and making payments to the contractor and withdrawal of respective court cases/on-going Arbitration process. They should mark a copy of the orders issued in all cases to the Member concerned.

4. This issues with the approval of Competent Authority.
