NHAI/Policy Guidelines/ EPC & DBFOT Contracts/2020
Policy Circular No. 2.5.15/2020 Dated 27 January, 2020
[Decision taken on file no. NHAI/CMD/Misc./CIL/2018-Vol.II]

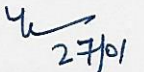

Sub: Addendum to SOP/Guidelines on Reimbursement for increase/recovery for decrease in Royalty rates of minor minerals under Change in Law in EPC/DBFOT projects. (NHAI/Policy Guidelines/EPC & DBFOT Contracts/2019 no. 2.5.11/2019 dated 17.05.2019)

Guidelines on Reimbursement for increase/recovery for decrease in Royalty rates of minor minerals under Change in Law in EPC/DBFOT projects have been issued vide NHAI/Policy Guidelines/EPC & DBFOT Contracts/2019 no. 2.5.11/2019 dated 17.05.2019. Para 4 (ii), (iii) of these guidelines provides for the applicability of guidelines in respect of BOT/DBFOT/PPP Toll Projects considering PCOD/COD being achieved after construction for 4-lane works. It is observed that in case of 6-lane Toll projects, COD is given on Appointed Dates and there is provision of PCC/CC (Provisional Completion Certificate/Completion Certificate). In straight reading of these guidelines, the 6-lane projects remain excluded and these guidelines cannot be applied for the Royalty reimbursement case of such 6-lane Toll DBFOT/BOT projects.

2. Therefore, in order to include projects of widening from 4-lane to 6-lane on DBFOT/BOT Toll mode, following is added under para 4 of the above mentioned guidelines:-

“4(v) In case of widening from 4-lane to 6-lane projects, the words PCOD/COD in para 4(ii) and 4(iii) above shall be read as PCC/CC.”

3. The Policy Circular dated 17.05.2019 (No. 2.5.11/2019) stands modified to above extent.

(V.K. Sharma)
