**RELEASE OF ADVERTISEMENT FOR TENDER NOTICES OF
PRE-CONSTRUCTION ACTIVITIES**

In connection with various pre-construction activities like shifting of HT/LT power lines, cutting of road side trees, land acquisition, shifting of utilities etc. tender notifications are required to be published in local newspapers.

Since time is a severe constraint for the completion of most of these activities, the respective Project Directors are hereby authorised to issue the advertisements for works regarding pre-construction activities to be published in one English and one regional newspaper at DAVP rates. For works costing more than one crore, the advertisements may also be put on NHA Website.

This issues with the approval of Chairman.
