CIRCULAR

Sub:- Proposals pertaining to Land Acquisition for various projects

Sir

In connection with the subject matter it may kindly be noted that utmost priority needs to be given to the Land Acquisition matters with respect to your jurisdiction. As already informed, the land acquisition process shall be monitored at the highest levels.

In this regard, to fasten & smoothen the process, the Competent Authority has already decided that the matters related to the land acquisition will be directly sent to LA division by the concerned Project Directors thru' the respective CGM, Regional Office to avoid undue delay.

All PD's are therefore advised to ensure strict compliance of the directions of Competent Authority in this regard and proposals for publication of notification etc. need not be sent to the technical divisions in HQ.
