### **POLICY MATTERS-TECHNICAL (127/2013)**

(Decision taken in 136<sup>th</sup> Meeting of Executive Committee)

**Subject: - Issues related to Execution of Utility Shifting Work in BOT contracts.**

The issues related to Execution of Utility Shifting Work in BOT contracts was discussed in 136<sup>th</sup> Executive Committee held on 21.02.2013 and the following decisions were taken:

- i) Before approving estimates against various utilities, an undertaking from respective utility agencies should be taken that in their proposed estimates, **no provision against upgradation of the existing utilities has been taken.**
  - ii) The technical divisions should check the correctness of the estimates prepared by utility agencies **through Independent Engineer of the project.** The same can accordingly be defined in its scope of work in the Standard RFP.
2. Accordingly, the proposals/estimates for utility shifting shall henceforth be accompanied with an undertaking/certificate as per format enclosed herewith.
  3. This issues with the approval of Chairman.
