**CIRCULAR No 327/ 2010 - Technical**  
*(Decision taken on file no. NHA/Tech/NH 69/Betul/2009)*

**Sub: Submission of documents with RFQ Application - Clarification - Reg.**

It has been frequently noticed while evaluating the RFQ applications that many of the applicants submit photocopies, scanned copies, fax copies etc. of experience certificates, Power of Attorney, Joint Bidding Agreements etc. with their applications which are not in conformity with the requirement of submission of documents with the application as per RFQ conditions.

2. In this context, attention is invited to clause 2.13.1 of RFQ document which is reproduced below:

*"The Applicant shall submit the Application in the format specified at Appendix-I, together with the documents specified in Clause 2.13.2, and seal it in an envelope and mark the envelope as "APPLICATION". The Applicant shall seal the original and the copy of the Application, together with their respective enclosures, in separate envelopes duly marking the envelopes as "ORIGINAL" and "COPY". The envelopes shall then be sealed in an outer envelope which shall also be marked in accordance with Clauses 2.13.2 and 2.13.3."*

3. It has been henceforth decided that the documents not submitted by the applicant in conformity with the above clause shall not be taken into cognizance and subsequent submission of original documents would not be entertained. It is also clarified that the vital documents like Power of Attorney, Experience Certificates, Joint Bidding Agreements submitted with the application in original would only be considered while evaluating the applications.

4. The Policy Circular No. 17/2008 on the subject stands superseded.
