### POLICY MATTER – Technical (130/2013)

#### Sub: Constitution of 3 GMs Committee for approval of detailed estimate for Change of Scope Order.

It has been observed that normally for Change of Scope in PPP Projects 'in-principle' approval is granted and detailed estimate thereof is received subsequently for approval. It has, therefore, been decided that henceforth detailed estimate for Change of Scope recommended and received from RO Office may first be examined by a Committee of General Managers specially to certify its cost before putting it to Executive Committee for approval. Accordingly, the constitution of 3 GMs committee shall be as follows:

- (i) GM of concerned division.
- (ii) 2 GMs to be nominated by concerned Member. Out of this, one GM must be from outside the jurisdiction of Member concerned.

2. This issues with the approval of Chairman, NHAI.
