2. Executive Committee deliberated the issue for a specific project, where the clause stipulates the amount of insurance cover not less than the value of the Contract price and decided as under:-

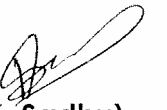

"Insurance amount be minimum Rs.2 crores for 3rd party insurance with condition that it is concessionaire 's responsibility for any liability beyond that amount upto specified amount in the agreement".

3. In order to have uniformity in all the contracts, it has been decided by the Competent Authority for adoption of following:-

In the contracts where minimum amount of insurance specified is upto Rs 2.0 crore, the insurance amount be minimum amount specified in the contract for 3rd party insurance. For all other contracts where specified amount of insurance is more than Rs 2 crore the insurance amount be minimum Rs. 2 crores for 3rd party insurance with condition that it is concessionaire's responsibility for any liability beyond that amount upto specified amount in the agreement.

4. All divisions are requested that the amount of insurance policy to be taken against injury to persons and damage to property shall be as per the above decision of the Competent Authority.

5. This issues with approval of the Competent Authority.
