POLICY MATTERS : TECHNICAL (15/2008)

Decision taken in the 23rd Weekly Meeting held on 11.06.2008

Consequent upon the discussions held in the 23rd Weekly Meeting and with the approval of Competent Authority, following have been decided: -

- (i) The requirement of 30 Ton crane under O & M Contracts should be included in the scope of requirement but this shall be only on specific need based requisition. The response time for the same is to be provided for in the contract.
- (ii) The provision of mechanized broomer/dust sucker vehicle is to be provided in the bid document of O & M contracts for the cleaning of roads.
- (iii) Release of 75% of payment for variation in BOQ items only for which technical approval has already been accorded.
- (iv) The provision of GPS and GIS for vehicle tracking system only for patrol vehicles is to be included in the bid document of O & M contracts.
